

South King County Projects Update

Edition 105, August 8, 2006

In this issue:

- South King County traffic closures this week
- Construction begins to widen SR 99 in Federal Way

South King County traffic closures this week

Interstate 5, Federal Way

Monday through Thursday nights [expect lane closures](#) in both directions between S. 320th Street and the Pierce County line as crews repair pavement and shift lanes.

Tuesday and Wednesday nights we plan to close the two right northbound lanes between S. 320th Street and Military Road to place pavement markings. The first lane will close at 6 p.m., the second at 7 p.m. Both lanes will reopen by 5 a.m. each morning.

State Route 167, Auburn to Renton

Expect [lane closures on northbound SR 167 and on SR 18 and Meeker Street](#) near SR 167 for bridge rail demolition.

State Route 99, Federal Way

Monday through Friday crews will close the right northbound lane of SR 99 from South 284th Street to South 272nd Street from 9 a.m. to 5 p.m. to install temporary lighting, survey and remove obstructions. (See SR 99 feature below.)

State Route 599, Tukwila

Expect [lane and ramp closures](#) on SR 599 at the East Marginal Way crossing for work in the median on [Sound Transit's light rail project](#).

Construction begins to widen SR 99 in Federal Way

We've recently begun construction on a project to [add an HOV lane in each direction of State Route 99](#) between South 284th and South 272nd streets in Federal Way. The new lanes will reduce congestion and provide carpoolers, vanpoolers, and bus riders with faster, more reliable commutes. We'll also enhance safety by adding lighting, raised sidewalks and landscaped strips. We expect to complete this project in fall 2007.
